

## **2018 Roxborough Agricultural Society Award**

The Roxborough Agricultural Society, host of the Avonmore Fair are volunteers who operate as part of the Ontario Association of Agricultural Societies, who have been promoting agriculture and community spirit in the area since 1860. As volunteers we dedicate our time and efforts to hosting successful events in Avonmore and area, these include the Avonmore Fair, community breakfasts, Dinner Fundraisers, the Christmas Craft Show and many other events; along with maintaining our fairgrounds and buildings. This would not be possible without volunteer support.

We will offer an annual award of \$250.00 (two hundred and fifty dollars) which will be awarded to a student who has been an active volunteer for the Roxborough Agricultural Society. The award will be presented at the opening ceremonies of the Fair.

Eligible students will meet the following criteria:

- Demonstrate interest in the Fair and other RAS events by participating in the activities as a volunteer
- Be graduating from a secondary school in this year

To apply, please submit the attached application form (also on our website [www.avonmorefair.ca](http://www.avonmorefair.ca)), and a personal statement on the importance of agricultural education, community spirit and your involvement in the Avonmore Fair (250 word limit) on or before June 15<sup>th</sup> 2018 to;
